SUMMARY

Licensed Customs Broker (Philippines) with 5+ years of experience in sea freight, transshipment operations, and import/export documentation. Currently handling UAE air and sea shipments, customs coordination, and client servicing in Dubai. Proven track record managing high-volume shipments, maintaining documentation accuracy, and improving clearance efficiency. Known for strong operational discipline, regulatory compliance expertise, and reliable client coordination across the full shipment lifecycle.

EXPERIENCE

Customer Service Representative - Air and Sea Freight

Mac World Shipping

01/2025 - 02/2026 | Dubai, United Arab Emirates

- Coordinate end-to-end handling of 70 monthly import shipments, primarily air freight, along with sea freight (FCL and LCL).
- Prepare and verify shipping documentation including Bill of Lading, Air Waybill, commercial invoices, and packing lists.
- Coordinate with customs brokers, shipping lines, airlines, and transport providers to ensure timely cargo movement.
- Monitor shipment status from origin to delivery and provide proactive updates to clients.
- Resolve shipment discrepancies, documentation issues, and operational delays while maintaining client satisfaction.
- Maintain accurate records in logistics systems and support operational reporting requirements.
- Support compliance with UAE import/export procedures and documentation standard

Transshipment Supervisor - Sea Freight

Transnational Logistics Solutions Corporation

02/2019 - 11/2024 | Manila, Philippines

- Supervised transshipment and customs documentation operations for 600+ import/export shipments monthly.
- Achieved 98% documentation accuracy through strict compliance control and verification processes.
- Led a team responsible for customs entry preparation and electronic submission via BOC system.
- Reduced customs clearance processing time through workflow improvements and documentation standardization.
- Ensured accurate HS classification, tariff application, and duty computation.
- Coordinated with customs authorities, shipping lines, freight forwarders, and clients to resolve operational issues.
- Collaborated with senior management to optimize scheduling, documentation flow, and service delivery.

Financial Advisor - Assistant Unit Manager

Prulife of UK

03/2021 - 11/2024 | Batangas, Philippines

- Provided financial planning services including investment, protection, and retirement planning.
- Supervised and mentored a team of advisors, ensuring achievement of 750,000 APE sales target.
- Conducted financial literacy seminars to strengthen client engagement and trust.
- Developed client relationship management and consultative sales capabilities
