We are famous across the nation by manufacturing a wide assortment of Nursery Pots and Planter. These offered products are known for their fine finishing and supreme quality.

About Us

Raj Agro Care from **1995**, with an affirmation to manufacturing a high-quality range of Nursery Pots and Planter. Offered products range consists of Nursery Pots and Planter, Polypropylene Weed Tree Control Mat, and LDPE Nursery Bag. In adding to this, our range of products is admired for attributes like strong construction, long service life, easy usability, and low cost.

We are backed by a well-experienced team of professionals who work in complete passion to enable the quality range of nursery pots and planter. The raw material we use to design this range is procured from the reliable vendors of the market. Also, we have established a spacious warehouse that is facilitated with all the necessary machines that are needed for safely storing our products. Also, our products are packed using supreme quality material to save them from physical damages during shipping.

Our mentor **Mr. Krupal Patel** manages the entire business activities and work on business principles. His priceless contribution plays an important role in creating a healthy relationship with other business associates.
